

Bird Aid

Sponsor a bag of seed

Help us keep bird feeding stations going in West Oxfordshire.

Bird Aid sites in West Oxfordshire desperately need funding to allow the current feeding stations to continue and new ones to be opened.

A tonne of seed feeds up to 1000 birds a year.

- To feed one tonne of millet (1 year supply) costs £540 or **£10 a bag**
- To feed one tonne of corn (1 year supply) costs £200 or **£4 a bag**
- **£500** will set up a new bird feeding station and will pay for seed, seed bins and bird feeders
- **£700** per year will keep the existing feeding stations supplied with seed

Name:.....

I would like to sponsorbag (s) of millet/corn . I enclose a cheque for

Home Address:.....

Post Code:..... Tel:.....

Email (please print clearly):.....

Phone Number:.....

I would like to Gift Aid my donation (tick box) Signed

I confirm that I am a UK tax payer paying income or capital gains tax at least equal to the tax to be reclaimed on each donation and that I will inform the Friends of Wychwood should this no longer be the case.

More bird watchers are needed from November to the end of April. In addition, people are needed to count birds on site. If you would like further information on how to get involved with these tasks please tick this box.

If you would like advice on setting up a feeding station in the Project area please tick this box. There is no funding for purchasing grain at present.

Please make cheques payable to The Friends of Wychwood. Return with your completed form to The Wychwood Project (Bird Aid), WODC Offices, Elmfield, New Yatt Road, Witney, OX28 1PB
